WELCOME TO **HYDERABAD**

Hyderabad, the capital city of Telangana represents the right blend of heritage with modernity. Rich historical heritage, culture and a knowledge hub, Hyderabad is among the fastest growing cities of the world.

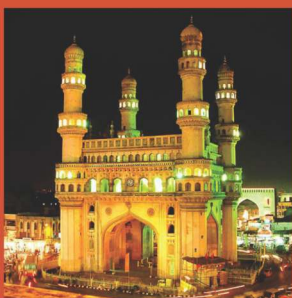

STATUE OF EQUALITY (RAMANUJA)

The Statue of Equality is the second tallest sitting statue in the world. The statue has a concrete core which is surrounded by a panchaloha sheet. The base building has a meditation hall where a 54 inches statue of Ramunuja made of 120 kg of gold, representing the years he lived, is installed. 108 Divyadesams (model temples), built in stone, surround the statue. The base building hosts a vedic digital library, research centre, ancient Indian texts, theatre and a gallery. Ramanuja's works are presented in the gallery.

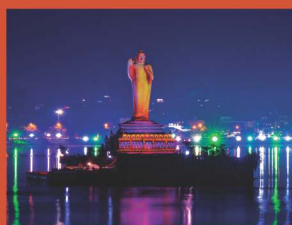

HITEC CITY

Hyderabad Information Technology and Engineering Consultancy City, abbreviated as HITEC City, is a major technology township which is one of the leading hubs in India. Some of the prestigious institutions near Hitech City are Cyberabad are Indian Institute of Information Technology (IIIT), ISB, proposed golf course, botanical gardens, night safari, Engineering Staff College of India, University of Hyderabad etc.,

CHARMINAR

The Charminar, built in 1591 CE, is a monument and mosque located in Hyderabad, Telangana, India. The landmark has become a global icon of Hyderabad, listed among the most recognized structures of India. The English name is a transliteration and combination of the Urdu words Char and Minar, translating to "Four Towers"; the eponymous towers are ornate minarets attached and supported by four grand arches.

HUSSAIN SAGAR

Hussain Sagar is a lake in Hyderabad spread across an area of 5.7 square kilometers and is fed by River Musi. A large monolithic statue of the Gautam Buddha, erected in 1992 stands in an island in the middle of the lake. Maximum depth of the lake is 32 feet.

BIRLA MANDIR

In close proximity to Hussain Sagar lies the famous Birla Mandir dedicated to lord Venkateswara. The temple is built on top of a hillock. This was constructed by the noted Industrialist GD Birla totally in marble stone. The temple attracts lot of tourists throughout the year.

GOLCONDA FORT

An enthralling and bewitching experience, a unique architectural and engineering marvel that is Golconda is a masterpiece and a citadel that depicts the glory of the Royal Kingdoms that ruled this region. The invincible ramparts, boulders and intricate finesse of the fort are breathtaking.

JNTUH

It's a well-known fact that the Jawaharlal Nehru Technological University, Hyderabad (JNTUH) is one of the largest affiliating Universities in India, particularly in the state of Telangana. The University offers quality education in Ph.D, M.Phil, M.S, M.Sc in various disciplines and also B.Tech program in 24 disciplines, Pharmacy, MBA and MCA with reputed faculty in Hyderabad and districts of Telangana. JNTUH has more than 3.5 lakhs students on rolls with 423 affiliated colleges spread over the Telangana.

MRUH

Malla Reddy University, Hyderabad (MRUH) situated in the state of Telangana in South India, is the first Private University under the green field category established in the year 2020, with the approval of the Government of Telangana. MRUH is committed to the vision of addressing the emerging needs of industry and society by nurturing students into well-rounded individuals, equipped with the best of knowledge and skills as well as an innovative and entrepreneurial spirit with basic ethics/values/principles to perform and prove as professionals and best human beings in the society with positive attitude and ownership.

We offer programmes across a range of disciplines such as Engineering, Management, Agriculture, Basic and Allied Health Care Sciences. The programmes are offered in a cosmopolitan atmosphere that nurtures excellence through expert faculty, world-class infrastructure, cutting-edge technologies, international collaborations and partnerships, innovative programs, and industrial tie-ups. The University is focusing on the quality of education with the technological initiative of NEP 2020.

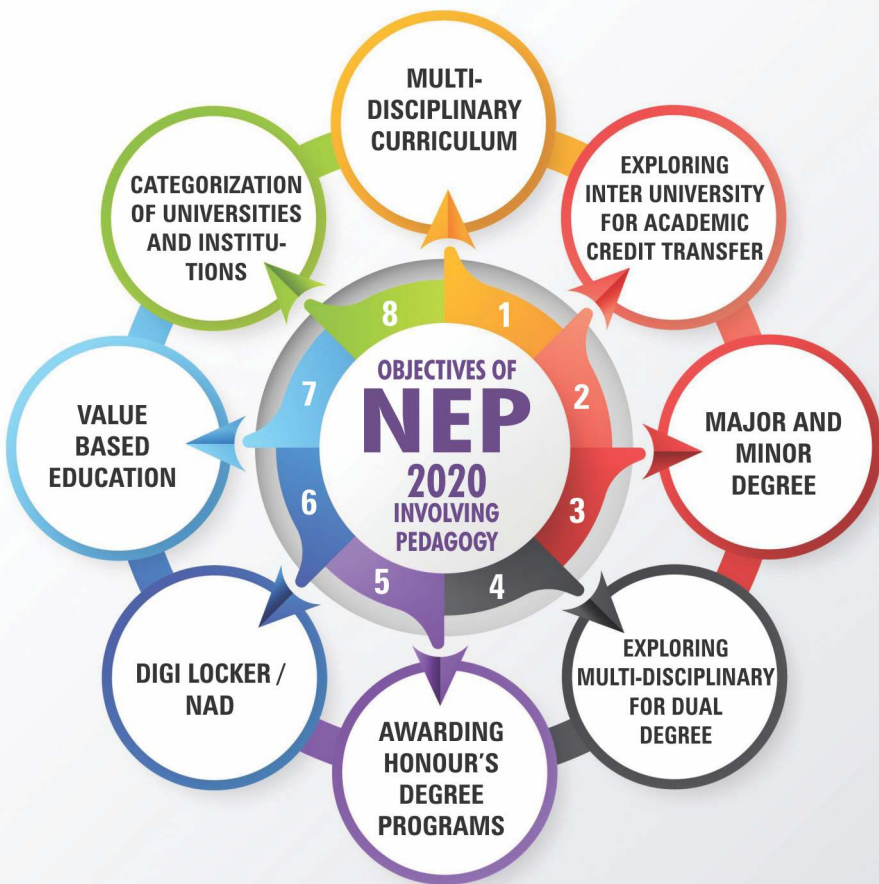

The objective of the Conference

National Education Policy 2020 plays a vital role across the Globe, particularly in India and its main objective of National Education Policy (NEP) 2020, which has been drafted with the incorporation of different ideas and has provided the freedom to accumulate different concepts, will be translated into action through the National Curriculum Framework.

In this regard, the conference aims to explore the following avenues:

- Indian Education System from the international perspective
- Identifying the challenges in the implementation of the NEP 2020
- Outcome-based Education-Focusing on Real-time societal Needs
- Inculcating the sustainable development in HEIs to achieve the objective of the NEP2020
- Choice based Credit system
- Mobility - Online resources
- Interdisciplinary/ Multidisciplinary
- Multiple Exit options
- Academic Bank of Credits (ABC)
- Technology parks
- Categorization of Universities and Institutions

OBJECTIVES OF NEP - 2020 INVOLVING PEDAGOGY
